"The City of Harrison is an Equal Opportunity Employer and Provider"

Assessor's Office Accessibility Policy

Assessing services for the City of Harrison are provided through a contractual agreement with Assess Source, LLC. Kayla Marchington serves as the City Assessor and is the primary point of contact for assessment-related inquiries.

The City Assessor is available at City Hall on Thursday afternoons from 1:00 p.m. to 5:00 p.m., or by appointment. She can be reached by phone at (989) 544-9511 during regular business hours or by email at assessor@cityofharrison-mi.gov.

All inquiries, correspondence, voicemails, and emails will receive a response from the Assessor's Office within seven (7) business days. In-person meetings are scheduled as needed with the Assessor to discuss specific questions or concerns. To schedule an appointment, please contact the Assessor's office using the information above.

Public Access to Assessment Records

General property assessment records are available online at bsaonline.com. Requests to inspect or obtain copies of routine records may also be made directly through the Assessor's office. Large or complex requests requiring significant reproduction may necessitate a Freedom of Information Act (FOIA) submission, which can be filed through the City Clerk's Office.

Dispute Resolution and Reviews

In addition to the March Board of Review, taxpayers may contact the Assessor's Office at any time to request an informal review or to discuss assessment concerns. The Assessor will meet with the taxpayer as permitted under Michigan law to hear and, when possible, resolve such matters.
